

## Carolyn Goelzer

December 8, 1932 - July 21, 2020

Carolyn Williams Goelzer died July 21, 2020, after a brief hospital stay in San Antonio. She was born December 8, 1932 in Venus, Texas to Rev. Philip Charles Williams and Myrtie Wingo Williams.

Carolyn had recently made New Braunfels her home, to be near family, after spending more than 40 years in El Campo as First Baptist Church organist.

Carolyn graduated Baylor University with a bachelor's degree in Education/ English and a minor in Religion. She married the late Ronald E. Goelzer, M.D. following his graduation from Baylor College of Medicine.

Carolyn's life was about her love for and service toward others. It started with her husband and children, extending to her church, community and beyond. Her intentional service was born of her faith in Jesus Christ.

Carolyn's gift was to connect with people because she cared about them.

She shared smiles and words of recognition with people at the grocery store, post office, pharmacy, dry cleaners, the bank, nursing home, and her church. People loved Carolyn because she was joyful, vibrant and a ray of light.

Carolyn was an exceptional musician – playing organ and piano. She played many weddings, most funerals and other services at the church.

Additionally, she accompanied the “community singers” each Monday at Garden Villa Nursing Home.

Carolyn was a civic-minded person – organizing or aiding with fundraising events on behalf of the El Campo Museum, the Heritage Center, and El Campo Memorial Hospital. She was named Citizen of the Year by the El Campo Chamber of Commerce in 2012.

Carolyn Goelzer served her local Baptist church and the denomination, at the state level. Locally, she helped in Vacation Bible School; and participated in committee work such as music, building and properties, and the nominating committee. Statewide, she served on the board of directors of Texas Baptist Encampment in Palacios; and the board leadership nominating committee, for institutions of the Baptist General Convention of Texas.

Carolyn loved her alma mater Baylor University and was an avid sports fan. She served on the board of directors for the Baylor University Alumni Association and with several of its committees. She helped in the planning for the annual Spring Fling event and was a member of the Houston Baylor University Women's Association.

She had recently become a member of First Protestant Church in New Braunfels and loved living at Eden Hill Communities where she was welcomed as if by old friends.

Carolyn W. Goelzer is survived by daughters Karen Goelzer Bailey (Ted) of Carrollton, Texas; Linda Goelzer of Dallas; Julianne Goelzer Serafini (Mike) of Bend, Oregon; son Ronald Eric Goelzer, Jr. (Renee) of New Braunfels; grandchildren Amy Garrett Warnick (James) of Dallas; Riley Goelzer and Brett Goelzer of New Braunfels.

Carolyn was preceded in death by her parents and husband.

The family wishes to express their appreciation to the staff of Adult 4 ICU at North Central Baptist Hospital and River City Hospice for their loving care.

Following a private graveside service for family, a memorial celebration of Carolyn Goelzer's life will be held 3:30 p.m. Sunday, July 26, 2020 at First Baptist Church of El Campo (FBCEC), the Rev. Rick DuBroc officiating. Attendees will be required to social distance according to current state requirements and the service will also be live streamed via YouTube from the FBCEC web site [FirstElCampo.org](http://FirstElCampo.org). Attendees will be required to wear masks.

In lieu of flowers, contributions may be made in Carolyn Goelzer's memory to First Baptist Church of El Campo, First Protestant Church of New Braunfels, or South Texas Children's Home – Beeville.

“ Words escape me when I remember Carolyn. There is so many stories and times we shared most with laughter and some tears. Never will there ever be a lady so fine and so precious. She always made everyone feel as tho you were her best friend . And of course Myrtie would just shake her head at some of Carolyn's antics or fashion choices, but always so loved by everyone. Never will there ever be another like her. Bobby and I were blessed to have a friend such as she. I know Heaven brightened up when she arrived . She was a shinning light wherever she went. We loved her so much. Toodie

“ When I think of Aunt Carolyn I think of her smiling and laughing at our family gatherings in Chilton and Marlin and I think of the fun she must have had on her recent trip to Alaska.

When ever I mention Aunt Carolyn to Mother she always (and I mean always) tells the tale of the dinner that Dad and she had with Carolyn and Ronnie in New Haven back in the day.

My deepest sympathy for your loss.

“ Carolyn always had a smile and sweet words for anyone she greeted. I am grateful for the time I knew her and the impressions she made on me. The life she lived as His servant was noted. I lift you in prayers as you grieve her loss, but we all know her homecoming was glorious. I will not forget her as her beautiful celebration of life was my first via YouTube. Thank you for having the forethought to share this way.

“ We are so very sorry to hear about Carolyn's passing. She was such a sweet person, always happy and her laughter was contagious. I have known Carolyn since the Nightingale Hospital days and remember when she and Dr. Goelzer moved to El Campo. Working with Dr. Goelzer I saw a lot of Carolyn as well. When El Campo Memorial Hospital opened in 1979 Carolyn was the President of the Sunshine Ladies and she remained faithful with the organization even when she moved to New Braunfels. She was a sweet friend and she will be deeply missed. The last time I saw her was early this year at the annual Chamber Banquet. She was happy like she always was. May she rest in peace and may she and Dr. Goelzer continue their journey. Irma and Victor Rocha

“ Mrs. Goelzer was a special person in our children's lives. She taught both at Jack & Jill Kindergarten in Wharton years ago. She also played the organ at our daughter's wedding years later. She was always so friendly and kind to all and made a great impact on all our lives. We will keep all of you in our thoughts and prayers.

“ Carolyn and I met while volunteering with the Baylor Alumni Association on the Fling Committee and spent many fun times planning the event each year, attending the weekend and enjoying special summer trips to various destinations. The fellow committee members became very close friends and looked forward to being together every time we met. She was so friendly and full of energy that she inspired all of us with her ideas and participation. She and I also shared a mutual friend, Cecil Davis, who I had met in elementary school in Edna. I join in sending the family my condolences and memories of their mother and grandmother. She was extra special.

“ A sweeter friend could not be found. Carolyn and I spent many hours together once a month besides her unique friendship with Bobby and the choir. She was so supportive during Bobby's illness. Her uplifting prayers and words during all our family crisis made everything seem better. She enjoyed life as a smiling joyful loyal Christian friend. We always laughed knowing Mytrie and Viola were still keeping tabs on us and keeping us straight. She will be missed but welcomed by all the loved ones there before her. Her life was well lived and she was loved so much. Karen, Linda, Julie and Eric, you had the best parents God chose for you. Remember all the funny good full days with your family. Love you all. “ Carolyn was the new organist at First Baptist Church about the same time I moved to El Campo to serve as Music and Youth Minister—1977. She became my mentor in the music area and a dear friend. She continued to serve the Lord by providing beautiful music for over 40 years. Such a sweet and kind person.

“ Carolyn has been a blessing to our family for the last 490 plus years! I have so many memories, from early on with her and Dr. Goelzer. As an adult, she was always an encouragement, and a prayer warrior! I will miss her hugs and the laughter she always brought! She made an impact on so many people. Praying for your family as you celebrate her legacy and life but also grieve the loss of her vibrant presence in your daily lives. She loved each of you so much. Whenever she saw me her last thing to say was Sic Em Bears!!! I will miss her and cannot wait time to see her in heaven!
