“ I wish to extend my condolences to the family of Catherine Drapela. This comes a bit late because I just recently was informed of her passing. I had the pleasure of getting to know her over many years. Her son Tommy and I were buddies in Saint Philips , El Campo High, and Wharton County Junior College, and I stayed at the Drapela home many weekends during the 1960's and 70's. Mrs. Drapela took a liking to me and let me know early on that I was welcome in her home any time and as often as I wished. I felt right at home too, as I got well acquainted with Tommy's parents and ten siblings. I honestly think that if I had showed up with a bag of clothes and said I was moving in, that would have been okay with her- she was that welcoming!

Mrs. Drapela was the most amazing woman I've ever known. Every day she tackled a veritable mountain of laundry and cooked enough food to feed a platoon of hungry marines (she was a great cook, too). All the while, she was always smiling and laughing; I never saw her without that beaming smile of hers. She took time every day to interact with each of her kids and any house guest. She and her husband Charlie "Doc" Drapela always had an endless supply of interesting stories to tell.

Mrs. Drapela was already the busiest woman in town when, with the family still growing and her involvement with civic and church activities , she took on the job of County Commissioner after Doc Drapela passed away, and did a great job of that while continuing to fulfill the role of the family matron.

With all that going on in her life, whenever she spotted me at a wedding or funeral dinner she would recognize me even when she hadn't seen me for years (I had moved out of town) and call me over and catch up with up with me about what was going on in my life and her kids' lives –still taking an interest.

In conclusion, I can honestly say I have never known a more amazing human being. I was truly blessed to have known her. Make no mistake, the El Campo community has lost someone very special indeed.

Sincerely,

Steven Wayne Netardus

“ What a wonderful person. My favorite early memories of her driving her van around to get her family to all the places and activities they were involved in and would not hesitate to add a few more, always with a great attitude and usually a big smile. I know we will all miss her.

“ Mrs. Drapela was a true Blessing and a Gift from God.I consider it a privilege to have known her. She had such a genuine sweet loving and giving spirit. I will forever be so thankful for the many times that I witnessed the Spiritual comfort, love, kind words, peace and joy that she brought with her, as she ministered HOLY COMMUNION to both of my parents, Buck and Marie Kight. The room seemed to Light up when she entered. Mrs. Catherine Drapela, our prayers will always be with you... and your family. May you rest in peace.

“ I am so sorry for your loss. I have shared some interesting times with her as we shared our faith in some classes of study. She felt there was so much more to learn and we need that close relationship with our God and His Mother. Now she is with them. I hope that gives your comfort. Betty Kacal Leopold

“ I will never forget Mrs Drapela. She was so sweet to me as a newlywed. I met them through my job as a dispatcher for El Campo Police Dept and my husband knew them since he was a DPS officer. In fact we were married by Doc. I thought the world of them. I'm so sorry for your loss.
