“ I remember crawling on the floor trying to put bunk beds together with her when she 9 months pregnant . The next day Carol came into school and said she had another baby girl. Now 52 years later I am saying goodbye to lady I loved like she was my sister. We had a lot of good times. LOVE YOU LAVERNE. Jerry

“ What a sweet lady. I loved her laugh and how her daughters laugh too. It's a happy laugh. You couldn't be sad or mad around them for long, because the laughter would get to you. Heaven just got even more fun!

“ Every year we sent Christmas cards and this year none came. I knew something was wrong. She would always write a big, long letter to say what was going on with everyone. LaVerne was my cousin. We kept in touch at Christmas although we hadn't seen each other for many years. She's going to be a super Angel !!
