“ Blessings are mine to have been included in the Triska family. Starting with Leo too many years ago to count doing hair at the funeral home. Then all the years with Jimmie after Leo passed the baton to him. Mary usually came over when she could to keep me company when I was there. A woman of faith, always devoted to whatever was needed Mary would be there. She lives on thru the lives of her beautiful family. Bobby and I were blessed to be accepted and to be invited with the Triskas. She was a precious smart lovely lady. We loved and admired her so much.

“ I'm now in Austin near my children so I'm just now seeing this notice of Mary's death.

I so remember our trip to Czech when we were roommates. she was such a wonderful person to share an adventure with. I recall her purchase of 2 chandeliers and I wonder if she ever got them up or if they are still in a box somewhere?

We knew one another over the years as our sons were the same age and both of us were active in our community.

My condolences to her family for I'm sure her presence will be missed.

I will send a memorial to the Houston Hospice and I'm glad she was well-cared for at the end.

Blessings, Bernice Keinarth

“ Carol, Jimmie, Bobby, Marlyn, Chris, Janice, LJ, Lori, spouses and grandkids: No words can express the sadness we have, or comfort you on the loss of your Mom and Memo. She has been, and will always be so special to all of us; a strong pillar that kept our families close, that kept us in touch with the generation that was responsible for who we became, a living and devoted extension of our parents after they passed, a wealth of family knowledge and traditions that you couldn't find anywhere else. What memories we have of all the great times, as kids, growing up, holiday and family gatherings, weddings, birthdays, bayhouse gatherings, all the things that we cherish. She set the bar high; and lived a truly remarkable life. We will miss her dearly; life will not be the same without "Aunt Mary". Today is a Great Day for Aunt Mary; as she is without pain and spent her first day in Heaven with God!

“ What a beautiful beautiful lady and great ambassador for Heaven as she was one of the kindest, most helpful and considerate ladies our family has had the privilege of knowing.

I thank God that we got to know her so many years ago and her example could be etched in us for our entire lives.

Mrs Triska I don't think there was ever a time when a catastrophe or crisis was anything more to you than a nuisance or a trip to the ER for stitches.

God truly blessed all of us with your presence in our lives...
