“ *Aaron was absolutely an amazing person. It was an honor to be part of his life. Life is so delicate and unpredictable. We must all find our way through life. To live life and not give it all you've got is not living. Aaron gave everything he could give everyday of his life. We should all try to understand, remember, and appreciate his accomplishments. He's resting now, as we will all one day be at peace. May God bless his soul. Amen.*

Aaron Michael. I will miss you so much.. You were an amazing sweet great-grandson. I will always remember your beautiful smile and hugs. You would always greet me with a hug and kiss, which I referred to you at times as my kisser.

I remember going in your room to look for you when I would visit and your room was always so neat and clean. Your toys, shoes and all were always in order; unusual for a young man. But than, you were special!

You were a great lovable son to your Mom and it showed how much you loved her. You were also so special to your Mo-Mo Bee, she would do anything for you, because she loved you so much.

The family will miss you so much Aaron..Fly high with the Angels sweetheart, watch over your Mom and little brother and sister. You will never be forgotten my love. Rest in Heavenly Peace, my Kisser. Love you!

*Your great-grandmother,
Mary P Galvan*
