“ *Ace you are such a sweet angel. God blessed Noah and I when we saw you all eating at Fernadez restaurant. When you noticed us you turned your head and smiled. I would wink at you and you would smile and blink back. You stood up in your high chair and turned towards us and giggled. I even asked Ashley if you were getting shorter. You were so small. I will forever remember you turning to see us with that beautiful smile that lit up your eyes. Noah and I didn't know it would be the last time we would see you and your smile.*
