“ Dear sweet Adolph was like a father to me after my Daddy died. I could go to him for advice & he always listened to me & helped when he could. I guess we worked together more than 10 years. He was special to me.

“ Adoph,

You were both a great neighbor and friend that I will never forget. I will always treasure our visits together. You always helped me with my stupid project questions that I had around the house when I was too embarrassed to ask my Dad! ;-)

I know you are enjoying your Eternal Reward-that "Heavenly Vegetable Garden" with our Lord and Savior, Jesus Christ! God Bless you, Lois and your family forever!!
