“ *Uncle Bunny was my godfather and I will always remember his smiling face and kindness to me and my family. I spent some time with him and Rita in the summer when I was a little girl and always had a good time with them . I love their real ham sandwiches and their fries from the drive inn. It was a special time for me to get away from my family and have some happy times. I enjoyed our visits in the rest home always talking about the old days of deer camp and fishing. I will miss him and the visits. May God comfort Rita during this difficult time.*
