“ *Albina Ray (grandma) had an infectious laugh that would light up the room. Her eyes of baby blue so beautiful. Grandma was not 92 years old, she was 92 years young. She was loved by anyone who had the chance to meet her. I can remember one time when I was driving down FM518 in Pearland, many years ago, and I saw my grandma driving and so I decided to honk the horn at her to let her know that I saw her. Grandma was more concerned with smiling back and showing affection that we both almost got into a wreck. She would do anything for anyone, and had a heart of gold. I truly feel that she was the most innocent, pure soul I have ever encountered. Just one of many memories of grandma. All my friends from my child hood always loved when grandma was around.*

“ *My condolences to the family. I pray you find comfort in knowing that even though we may loose a loved one in death, God will bring to life all those found in his memory. (Job 14:15 John 5:28,29)*
