“ Dear Brenda, Sandra, Larry, Randy and families, I have such very fond memories of your dad. He was an awesome man and always acted so happy to see me. Once at mass at St. Helen's he was ushering and when I walked by I stopped and kissed him on the cheek. He was startled for a moment and when he looked up and recognized me, he had the biggest grin on his face...only slightly less than the grin on my face. Also, I was so pleased to drive him from Georgetown to Austin for Kristen's and Elizabeth's weddings. Of course, Randy had to drive us back home, and we all had a very good visit and a wonderful evening. Your dad was a true patriot and served our country, and he was a faithful servant to the Lord. I pray that perpetual light will shine upon him and that he will rest in peace. God bless you all and may He provide you comfort.

“ A smile always happens when I think of Uncle Alois. He always was so happy and upbeat, he would lift one above whatever was pushing us down. I loved seeing him at JV's service because it had been way to long. Of course we had plenty of hugs. I will treasure seeing him that one last time. There are so many souls to welcome him to the Glories of Heaven reuniting family and friends. Angels are rejoicing having Uncle Alois there. I know he will be right there for me when my time comes. Peace and comfort to his family blessed to have had him as Dad for so long. Love to all the family. Toodie
