“ *My condolences to your family for your loss. My dad Alfred Wendel, and Al were in the National Guard together for many years. They were good friends. Al was always pleasant, friendly and courteous. At my dad's funeral years ago, Al came up to me very politely and told me how he knew my dad for so many years. I know he will be missed by all who knew him. Our prayers are with your family.*

“ *LaDell and Family, thoughts and prayers for you and your family during this very trying time. I grew up knowing you and Al, starting as neighbors on Avenue C/College Street. When Daddy had a car issue, he would look at Mom, and Mom knew to get on the phone and call Al. Al was always there to fix the problem. Leading our grand march at our wedding, the both of you were such an example of what a marriage was all about, all the love and togetherness that you shared for each other. Al will be missed by MANY, but the memories will last forever. Jim and Nancy Brooks*

“ Al will always have a special place in my heart. When I was a single, young woman, living and working in Houston, I would always bring my car back home for Al to take care of for me. Not only did he do the oil changes but would check the tires, fluids, hoses etc. My car never left his garage unless he was satisfied it was running tip top. I always felt safe in my car and never worried about it breaking down and it never did! The added plus was getting to spend some extra time just visiting and talking with such an amazing person. To LaDell and family, my heart breaks for you. May you find comfort in your wonderful memories and beautiful family life. My prayers to you all. Love and hugs.

“ Al was always such an upbeat fun guy. A few weeks ago we had the nicest conversation and talked about his days visiting with Bobby. Everyone is blessed to have called Al a friend. He will leave a wonderful legacy for his family and friends. Rest easy, my friend, and reap the rewards of Heaven you so deserve. Love in Christ. Toodie

“ La Dell and family, we've know Al for many years. He was such a kind gentleman and always had a word to say and a smile to go along with it. His testimony is his faith in Jesus Christ and our beloved Blessed Mother Mary. Thank you, Al & La Dell for inviting me and the JCDA girls way back when to come and pray the rosary at the Grotto. The girls were so amazed with the Grotto and that you'll had built it for the blessed Mother. Our prayers are with you. May Al rest in peace and may the perpetual light shine upon him.
