“ It was Christmas of 1960, Alvin and Dr.Mc being best of friends shared a lot in common. This year was when my Dad gave us kids, a full size tot Battery Powered white car, street worthy and the used it first! It was funny because these two grown men, enjoyed riding up and down Dorothy Street in the middle of the night before we received it as a gift! Kathy and many others enjoyed it as well!

There are so many fond memories, never difficult that I have. The Faltyseks were my best friends and in today's terms, part of my extended nuclear family, he was like a Father to me and his Parents in law were like my own Grandparents. It is with the Grace of God and hand of Jesus that I was price ledges to be part of the Family. It is with a Humble heart that I offer Condolences and Sympathy to the entire Faltysek Famiy.

While in El Campo for a visit in March, 2014 I made a point of visiting with him. Thank God he remembered me and we shared some fond memories. When I asked him, "what would you want me to know for the rest of time"? Daddy Alvin said, "be Kind, everyone should be kind"! He was a kind and generous Father, Husband, Brother and friend...that old green truck we all enjoyed riding on the back down the street to Grandma Maloch's.

I love you Kathy, Dottie and your whole family! Thanks for sharing your Family with Me!

“ *Kathy, I am sorry for your loss. Since my parents passed, I do not go to El Campo very often. However, a few years ago, as I was leaving their house, I saw your parents working in the yard. I stopped to say hi, and introduced them to my son. I am so glad I did. My prayers go out to you and your family during this difficult time.*
