“ Ruby,

I am so sorry to hear of Bugger's passing. I worked with him for several years when he was a consultant for Maguire Oil Company. Bugger & I talked on the phone everyday, sometimes many times a day and became very close friends. He was my "security blanket"; he always called and checked on his reports and we worked closely to make sure we were on the same page in everything going on with the wells. He made my job easier because I knew he would make sure everything was right when he sent the reports in. Not only was he great to work with, he became a very dear friend that I felt comfortable talking with and confiding in. He was a very kind and caring person. I know how much you will miss him and send my deepest sympathy.

“ We want to express our condolence to Ruby and the remainder of tlhe family.

There is not a place in Midfield that you look that you cain't see somthing that

Buggar has not improved or helped some one. He was always there to suport the fund raisers and assist any way he could in any of the community activities. I will miss our conversationa at the post office. Buggar and I spent miny hours at the cemetery doing things to make things better and improve the looks.

“ My thoughts and prayers are with the family during this time. May it give you comfort that Booger is now with his Lord, Jesus Christ.

John 14:1-3 "Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am."

“ You have had a great life and one I know you were very proud of. As two young boys growing up in Midfields we shared a lot of memories and association. We played as kids in our early and school years. As teammates in high school sports we shared victory and defeat, but in all those the greatest thrill we had was the fun of the games.. I am sad to see you go, but Sophie and I will pray for you and Ruby Lee and may the good lord look after you in his kingdom. May you rest in peace!

“ We are so sorry for your loss. Bugger is with his lord this day. As sad as it is for those who are left behind, we must remember, GOD takes us home when he wants us. I heard a saying the other day, "Without sadness, there can be no happiness." May GOD bless you all at this time.
