“ Sallie was the kind of person you never forget. She was a friend and next door neighbor for years and a beautiful lady. I have nothing but fond memories of the years we spent as next door neighbors sometimes just over the fence we had a few words. She always wanted to know if we were going somewhere and when we were getting back and that meant a lot to both of us. She will be missed by many.

May all of you be comforted by the years you were able to share with such a wonderful person...

*Sincerely,

“ *Sallie Raun was a beautiful woman, and the ultimate Aggie Mom. When I became president of El Campo Aggie Moms, she called me to come pick up a donation, which helped a great deal with our ability to provide care packages for our students, and also give scholarships to students committed to Texas A&M. For each of the 16 years I was an active Aggie Mom, she called me and asked me to pick up 'her check'. She and Norris both loved our Aggies!*

Sallie and Norris's friendship was one of our 'best blessings'. Our sympathy to all their extended family.

“ *We never had the honor of meeting Miss Sallie, but do believe she was a wonderful woman. There is evidence of this in those she leaves behind. Richard & Travis along with their families are so kind and friendly. It is a pleasure to run into them from time to time in town. They always have a warm smile and a kind word to share. It really is sad to see Miss Sallie's generation passing on. They have made the world a much better place.*

We are thinking of you all and know you will continue to make her proud.

“ *Our sincerest condolences for the loss of your mother, grandmother and great grandmother, what a milestone to reach 100 years of age. While I did not know her personally, her husband Norris and my father were very good friends for many years and the Raun family has been friends and customers of ours as far back as I can remember. The families honesty, integrity, hard work and friendliness made an impression on me from when I first met them and I always enjoyed being around them. It is sad to see this generation leaving us.*
