“ I am very truly sorry to hear about "Buckshot's" passing. I wished I would've known about it because I would've come to the funeral. He was a good kind hearted man that had a big laugh everywhere he went. I have known him for a very long time because he used to work with my dad, Jesse Kopecky at the fertilizer place. We had many laughs with Buckshot. Now my parents are happy because they have a good friend to talk to in Heaven.
