“ Some of the great, fun memories of my youth included Andy Staff. From speeding around the backroads in his SS, to dances all over the county, to cutting rice, family dinners, parties, chasing down my runaway parrot & him putting up with me crashing at his house. He was a good person & always willing to help his family & friends in any way he could. I know he will be greatly missed by his family & everyone that loved him. God Bless, God Speed & Give'em Hell in Heaven Andy.
