“ *What can I say about our Angela. A sister indeed to us Malek girls and of course Myron. You have been a such a part of our everyday lives that our hearts will be broken with losing you now and having lost Edward six years ago. We all have so many precious memories of family gatherings, vacations together, shopping together and of course your Thanksgiving dinners for the last 52 years. You always took the time to make everyone feel so loved and important. This was true for just about everyone you became friends with. You had a heart of gold and were such a classy lady. We will miss you forever Angela. Love Lawrence & Jane (Malek) Ladewig*
