“ *Worked at STMC with your mother. I always remember her at back door during breaks. She was often reading a book. She was always super nice and willing to help you with anything you needed. She was a great person and will be missed. My thoughts and prayers go out to her family.*

“ *In loving memory of my mother.*
I remember:
The best fried chicken and mashed potatoes, homemade pies and cookies for Sunday dessert and chocolate cake after going to the swimming pool-I still want chocolate cake after I go to the swimming pool.
Staying up late hours into the night making dresses for all of us girls for Christmas and Easter, a beautiful Prom dress using 3 different patterns so it would be a one and only, and adorable maternity rompers that lasted through three pregnancies.
A dry sense of humor, laughing with your sisters, and dancing a great two-step with Daddy.

I remember, I remember, I remember... YOU!!!

Your daughter,
Rachel
