“ *Camie & Dyleen,  
Suzanne and I are so sorrow for the loss of your mom & my godmother. She and I talked about how different the Popp's and Cada's have always been about showing affection and telling each other how much we love each other. The Popp side has not always been as expressive about this, but know actions can speak just as loud as words. The way you have worked with Daniel and Bryan to raise your families is a living legacy to both your mom & dad. I miss them both, and I have been praying since I found out about Aunt Ann's condition, that God will give you and your families the strength as you learn to fill the void that she has left behind. I'm sorry I won't be able to make the funeral, but I will be having shoulder replacement surgery on Monday and will not be able to get down to Texas from Virginia. I know this is unusual from the Popp side, but know that we all love you! Your families are in our prayers!*

“ *Ann was a large part of our lives for a long time when she was an associate at Production Credit Association. She always kept her files current, and was always happy and helpful to the farmers who were their members. No matter how much pain she was in with the arthritis in her hands, she never complained. She was a good friend, and we always enjoyed Alvin and her at our PCA functions. We will miss her.*
