“ *Ms. Tammy -
words cannot express how sad we were to hear of your loss. Mr. Tony/Long was such a wonderful man. I have been thinking about you since we got the news. So many wonderful memories filled my head about all you both have done with my family and especially the time Mr. Tony took the day before our wedding to help with electrical... I'll never forget that. Matt even said he was the first friend of dad's to remember his name. :)
I know it's will be hard but you are surrounded by wonderful, loving people. And Mr. Tony, Nanny, Pop, Ms. Debbie, along with many others, are all enjoying a nice cold beer in heaven looking down on us all smiling and laughing.*

With love -

“ I worked with Tony at the Shell Houston Central Plant when he worked for Martin Electric. He was a great guy, always smiling and having positive things to say. I left the Plant in 2000, when it was sold. When ever I pass through Taiton, I would think about him. I will keep him in my prayers. I am very sorry that I could not attend any of the services.

“ Dear Wied Family,
It's hard to believe Tony is gone. I remember going to see my Grandma and Grandpa Orsak in Garwood in the summers when I was a little girl and they were neighbors with the Wied's. I would just giggle when I saw Tony and thought WOW! he is so cute! :) To this day, I remember that! Tammy, I am sure you, Bruce and Ladd have tons of great memories that will get you past this hard time. God Bless.

“ We are so sorry to hear of the loss of your husband, "Long" and you have our deepest condolences.

You don't get over it, you just get through it. You don't get by it, because you can't get around it. It doesn't 'get better'; it just gets different. Everyday... Grief puts on a new face...

You are in our prayers

“ *The world will not be the same without Tony. He will always be remembered as a super-nice guy who didn't avoid hard work and was always willing to help others. My heart is heavy at the news of his passing. Praise God for his eternal reward in Heaven. The stars will certainly shine brighter with Tony there making sure they are all connected properly to their power source.*
