“ I remember when my mother and I would go to your restaurant and have breakfast cause my mother always loved your menudo. I also remember how we'd go to visit at your house and the way you use to make us laugh. You were always making people laugh and always tried to help people when you could. You will be missed by many and make sure you say hi to my Mom and give her a big hug for me when y'all meet again.

“ For a lady who did and tried her best to raise me. This is the hardest to accept the fact she's gone. We loved hard. She guided me though so much and no matter what I did she stood by me. I not only see her as being my Grandma but my Mother of all things. You never got the chance to see how good I've done And you never got to see me back at number one. I wish that you were here to celebrate together. I wish that we could spend the holidays together. Good Bye Grandma/Mom Fly high.... 😭

*I remember when you used to tuck me in at night
With the teddy bear you gave me that I held so tight
I thought you were so strong you'd make it through whatever
It's so hard to accept the fact you're gone forever*
