“ Becca & Daryl,
I met your mother when I first started working part time at Rioux's. She was so kind and welcoming. Instantly, she made me feel as though we had been dear friends for a lifetime. She always had something nice to say, some special compliment or words of encouragement. Since that time, my daughter and I have always looked forward to running in to her around town, at the nursery or eating at Casa. She was trully a special person and I think the entire town will miss her presence.

Sincerely,

“ *Becca & Darryl*

We are so sorry to hear about the passing of your mom. When mom called to tell us it sounded like your mom had been in good health. Your mom always seemed to be in a jovial mood. I can remember our families getting together in our younger years and the contagious smile of your mom.

May God be with you and give you strength during this difficult time. Our prayers and thoughts are with you .

“ *My sweet and dear friend Becca, I am filled with so many emotions after learning of your mom's passing. I recalled the last time we spoke at teh Nursery, she was delivering some goodies for you to have for breakfast. No one has to tell you what a wonderful and caring person your mom was. She was the best neighbor a person could ever have. She would bring me deer sausage that Daryl made or drop by to check on me when she would not see me in the yard. I really missed the companionship when she moved to the loop. A big part of me is happy that she has gone to be with her one and only J.P., I hope that is some how comforting to you. I am sure she is in heaven showing the other angels how to garden. You were blessed for many years with her guidance and she got to see her grandson grow into that special child that he is. God bless all of you. I am sorry I could not make the memorial mass since I am recuperating from surgery but know that ya'll are in my prayers, God be with you.*
