“ Anna, We arrived home this evening and I saw Bill Rioux's email announcement of Ben's passing. I am so sorry to hear of this sad news. Our heartfelt condolences to you and your son and daughter. Ben and I were close in high school and then we just drifted apart. No particular reason, just Life. Marylyn and I bumped into him at El Campo's WalMart earlier this year and we visited. She told him of the neck surgeries she has had and still problems exist. Ben mentioned about a back ailment he had, but was not interested in having surgery on it. Maybe you know that Bill Flisowski died of a massive heart attack back about 3 or 4 years ago. I was able to attend his funeral. I just learned about today, Sunday, being visitation day for Ben, but it is after 9 pm already as I write this. Tomorrow, Marylyn will have gall bladder surgery in Lake Jackson and I will have to miss Ben's funeral. If it wasn't for Marylyn's surgery, I would definitely be there. Our prayers are with you and your family so that God will comfort you during this difficult time and give you strength to go forward. At this point, baby steps, day by day. John and Marylyn Kubecka.

“ Ben will be greatly missed by so many....reflecting back so many years back...how we double dated so many times, we had such great times the 4 of us together, hayrides, the Barracuda car, the dances....the barn parties...my where has the time gone....this year Ken and I would have been married 43 years as well...

Strange how Anna Lee and I are the one's left behind....how I miss my Ken so very much, and I know your heart is in many pieces as mine is....

My Deepest sorrow for your loss,
Dorothy Tomanek Peikert
