“ *To My Dear Friend Bernie,  
I want to thank the Lord for letting us meet at Browning Ferris Industries in 1995 and became friends. She was such a dear friend Lord and you send her to me when I needed help. She was always there for me, a shoulder to vent & lean on and a heart that understood. She had so much kindness within her heart for everyone and never complained. Bless my dearest friend Lord who gave so much of her precious time & love towards our friendship. My Sister Rose and I will always cherish our time with her, cutting up and staying up late talking about everything and everyone. My husband & I want to extend our deepest sympathies to her family. May the soul of your mother, mother-in-law, and grandmother be at peace with our Heavenly Father up above. Amen.*

“ I can't imagine going to El Campo without seeing Bernie. You don't find a true friend often but God blessed me with Bernie. We did so much together. Christmas shopping, going to garage sales, having garage sales and visiting each other. We would talk and talk as there was always something to talk about. In our later years we played a card game (Hand and Foot). She always liked to win and so did I. We were there for each other in good times and bad and no one can replace her. We loved each other like sisters. I will deeply miss her, she was so much a part of my life. Thank you my dearest until we meet again. Love, Audrey

“ *My wonderful Aunt, was also my best friend. I always looked up to her. She taught me many things in my life and had always been there for me. We also worked together for many years. We had many great times together and we also fought about things to, lol. You had to know Bernie she thought she was always right about things, and I have to say she usually was! She will truly be missed, and will have a place in my heart always. I love you Aunt Bern ❤️*
