“ I am very sad to hear of Betty's passing! She was one of my loyal VIP guests at L'Auberge but I considered more as a friend. I am going to miss her very much. Rest In Peace, Betty!

“ Betty was a dear friend from high school. There were several of us that ran around together -- you all know who you are! We used to pile into one car and head out to the dances in Hillje, Taiton, and Plainview on Saturday nights. Betty usually drove, as she was the only one that had access to a car at the time. Those were precious times never to be forgotten! Many years later, we all were so fortunate to be able to get together again at our 40th El Campo High School reunion. I'm so grateful for that. Bless you, Betty, and sincere sympathy to her family and friends who I know will miss her dearly!
