“ Our Daddy's met at the MD Anderson during treatment & became great friends. Found out today that Bobby died a month to the day before our Daddy who just passed this last Friday. I send my sincere condolences to his family- some I met briefly during one of our infusions with Dad.

While I am so sad for our losses, I am comforted to know Bobby was there to greet my Dad in heaven. I know they're just kicking back chatting it up again now & that makes me smile. Many blessings to you all!
