*My big brother you was taken away from us to soon. You was wild Bill nothing could hurt you. And I personally believed that since I witnessed some stuff that you lived though without a scrape. Even Randy said hell ain't no way a car can hurt Billy I feel sorry for the car. Well god saw differently this time a you are gone. I have to say the world was a better place when we had you with us. Always happy like a 12 year old a lived a carefree worry less life. I miss you Boo Boo more than words can express. It's just not the same without you a your way of putting things down in your Billy Youngblood style. Love and miss your Big Brother.*
