“ Bobby was my neighbor across the street for many years and we always visited in the yard after he had done his yard work which was mowing on his riding lawn mower. He was a very kind man with lots of stories to tell if you had time to listen..I never experienced a time when he was in a bad mood always enjoying the best that a day would bring. I visited him at times when he was really tired from his many medical problems but he never failed to give a smile or two.When I moved away 9 months ago I still tried to say hello as we truly understood each other. I for one will surely miss him and his smile that he always had when I came to say hello.....

I just know he will be an addition to the Heavenly Choir..

“ *At first there were tears when I first learned about Bobby, but then a smile crept over my face. I know it was there for I felt it. Bobby and Albert are together again. They shared their love of music through the Four Thorns and a Rose quartet. They were great friends on earth and now they can enjoy the heavenly choir. My heart goes out to all the family. I know he will be missed.*

*Dear Toodie,
The news of Bobby's home going breaks open a flood of great memories of teenage church choir the highlight of which was Bobby's great singing voice. The last time I visited FBC, EC I sat by Bobby and enjoyed singing with him!! Toodie, I also remember and appreciate the influence your family had on my life. May God bless you during this trying time.

*Thanks a lot Cousin Richard for your help in finding this cassette in honor of our dear loved one Bobby Brady. Ray and I had the honor of listening to The 4 thorns and a Rose several times at First Christian with our Aunt Billie Roades. WOW they were workers for the Lord through their voice along with their sweet smiles.
Tootie our family extends our deepest sympathy at this time. May God give you that much needed strength as you travel the days ahead.
Love you and appreciate the wonderful and sweet things you did for my Aunt Billie during her days in Garden Villa and also fixing her hair for the funeral.
Praise Be God our Lord and Savior,
Love ya,
Ray and Marilyn Hendrix and Family*
