“ I went to grad school with Brandon at Texas State, & I am just so sad to hear of his passing. I have many good memories but overall I remember his kindness, good sense of humor, fun personality, open mindedness and gentle spirit. He made such an impression on those of us in his cohort &, I have no doubt, on almost everyone he came into contact with! My sincere condolences to the family and friends. He will be missed.

I met Brandon while in grad school at TX State. In fact, I remember him sitting in the seat next to me for our very first class. He was such a kind soul and had an optimistic outlook always. I will remember him in that light, and I offer my sincere condolences to his loved ones.
