“ *To our dear friends, but really our family! We have so many precious memories of good times since our days in Huntsville to the many years of get togethers in EL Campo! The many domino games, barbecues, celebrations of birthdays and our kids weddings, and just being together, will be cherished forever! Brenda and I spent a lot of time planning and helping each other for our family's special events! She was quite talented in decorating! Some of our favorite times the two of us enjoyed were shopping, going to lunch and talking and laughing together! Brenda's last years were often challenging as a result of her health. But there were still many good days of seeing her and talking together. May you Rest In Peace dear friend! You will be missed! (Give your precious mom a hug from us!)*

Love you all!
