“ I never met Brian but I have been admiring his creative talents for years! The multiple additions he built for the El Campo Museum have been enjoyed by countless young people through the years! He shared his gifts, never expecting personal credit and knowing he would not witness “first hand” the tremendous, positive difference he would make in the lives of so many young people!.... Thank you, Brian! Beverly & Larry Russell and family

“Ms. Cheri, you and your family are in our thoughts and prayers..
