“ Sheila, Charlie and family, My heart is so deeply saddened over the loss of Caleb. Before my eyes close to meet sleep at night or immediately upon awakening to meet the day, Caleb is the face I see. As I know you remember, Caleb worked for Bennie one summer in his early high school years. Bennie so enjoyed him. He always showed great respect and was a pleasure to be around. You did a great job in parenting him Sheila. He was a very nice young man with wonderful manners. We shall miss him on this earth, but we know his candle shines brightly in heaven. Keep your faith strong and know that God loves you. He needed a very special angel when he called Caleb home. Know that you are in my prayers as I ask God to bless you, Charlie and your family with strength in the days ahead. Love you

“ I would like to express my deepest condolences to his family and friends. Caleb was a diamond in the rough. He laughed when I told him that and then we all started laughing. When I first met Caleb he was shy, quiet and very respectful. I told him his parents had raised a good hearted son. He shrugged and shared some of his past "adventures" with me. I guess he thought that his "adventures" would make me pass judgement on him but it didn't. I told him everyone makes mistakes but it is what you do with the life experience in the end that counts. My family and I owe Caleb a debt that can not be measured in money. When my family needed him he was there; no questions asked and no judgement made. Alot of people may have negative opinions of Caleb but in my house, my family and my heart Caleb will always be a Diamond now polished and shined. May he rest in peace and may God send his angels to bring comfort to all of your hearts and souls. He will always be in my prayers and thoughts. Thank you for having and raising such a wonderful young man.
