“ It was 1964 - I was just appointed to be pastor of the First United Methodist Church in El Campo - and there were many great families there - including the Sneed family! We were in need of a director of Christian Education - and there was Carlene - so active and able as she volunteered in our Educational Ministry - and so she became our very able staff member both for the Sunday activities as well as the Weekday Kindergarten. So that meant she was also keeping Woody and Julia Ann in tow - in the youth department! Move on ten years - I'm in San Antonio, as CEO of the Methodist Mission Home - and in need of some one to run the business office - who did I find - Carlene Sneed - who was now in San Antonio working in our Methodist Conference business office - and she moved over and we were working together again! Though I have lost touch in these later years - I know she has blessed the lives of so many including where she worked - and certainly including her family and friends! And she enhanced my life and my families life - with her even keel, steady, competent and cheerful ways of living her Godly life! Amen --to a life so well lived!!

“ I will cherish the lunch we shared and the moments my world was touch by darling Carlene -- a gracious lady every second, only wish I had know her longer

“ Aunt Carlene was so wonderful to my family. Frances & Sam moved to El Campo in 1951 & they welcomed Momma (Frances) & Daddy (Sam) to town showing them the ropes as they were newlyweds. Uncle Don & Sam spent lots of time having a great time there; a little Shiner Beer was involved while fantastic memories were made. Julia Ann was only 2 & Woody was born just as Frances & Sam moved from El Campo to Conroe. We would return to El Campo for visits. I remember Aunt Carlene's great food and Uncle Don's funny voice. We always had great visits & looked forward to the next time. When Carlene lived in San Antonio she had the best apartment in the best part of the city, Alamo Heights. I remember her wonderful friends & her extreme kindness to me while I started at UTSA in 1977. She was so smart & full of tips to make my first year at University easy & fun. Aunt Carlene had the best voice. I feel I sound alot like her & I'm thankful for our voice similarity. I've always thought of her alot because of it. Woody is one of my favorite cousins. He & Julia Ann are so good looking (adding a bit of superficiality; but truthfully you are both beautiful people & I want you both to know that when talked about y'all it was bragging about how handsome and pretty y'all are). The family reunions were more fun because of the Sneeds. It is hard to accept the close Peebles siblings are all on the other side now. Once more, they are all together. Momma, Cathy, Glenn and I will miss not being there for her services in person. Please know we will be there in spirit. We send our heartfelt condolences. We love you all and are proud to be related. God Bless.
