“ *To the surviving family of Carol:
My condolences to you and your family. I saw Carol at Muriel's funeral and she was as nice as every other time we have had to the opportunity to spend time together. She was a very sweet lady and was never afraid to speak her mind which is a trait I greatly appreciated. When she was around Muriel, you could tell they were sisters. I have fond memories of them both. God bless you and your families in this time of remembrance and celebration of the life of Carol.*
