“ The Song “What a friend I have in Jesus” came to mind “What a friend I had in Carolyn “. A Bond friendship like Sisters was developed between the two of us many years ago and still stands today. Whether we seen or spoke frequently, we both felt it the instant we heard each other’s sweet voice or saw each other’s sweet face. What Memories we Share there are So Many some we laughed some we cried some we just set and listened as we shared our life’s with each other. Although we weren’t ready to let you go, you were ready and you were so at Peace with it. I’ll Miss You Dearly, as will, Your Loved Ones. As your Last Words to Me (I’ll be Visiting You, I’ll be sending you (“Sparkles”). So watch for me, “I’ll be Watching”. Love You, Pam
