“ *Carol (as I knew her) was a gracious lady. She was always caring and thoughtful. She cared about our community, watering the large expanse of common property in front of her townhome, maintaining the plants in front of her home so everyone could enjoy them. I knew that she often lived with a great deal of pain, but she was always brave and never complained. She took care of my plants all summer when I was away. I was so fortunate to have such a lovely neighbor. She told me on several occasions that she was ready whenever the Lord called her. I can only trust that she is at peace now and I hope this will bring some comfort to her family and friends. Phyllis Thompson*

“ I will dearly miss Carol. She is my favorite aunt, my mother’s youngest sister, and I spent many fun days with her when she was a young teen and I was 3 or 4 at her house in Pine Prairie. Throughout all the remaining years we have kept in touch and reminisced about the old days. I visited her in Katy 3 or 4 years ago with my husband. So glad I did. Deepest sympathy to Terry, Brent, and Ty! She was a great lady, and there will never be another like her. Reba Gaye Sutton Gilliland.

Brent, Terri I'm saddened and sorry your sweet Mom has passed away. We were loving friends for many years and I have so many fond memories of her. She moved, and we moved, and lost touch but for a few phone calls. I'll always remember her with love. Hugs and kisses to both of you and your families.
