“ Hello Family. So sorry to hear of your loss. I've been gone from Refugio County for 11 years but still get County Press. Always a week late. So I didn't read of your loss till end of August. Mrs. Tyler and Genelle would go camping with Mother and Dad(Barbara and Tommy Wright) and me and my 2 girls. Lots of fun. Hugs to the family. Love, Phyllis

“ Dear Genelle and Family,

I am so sorry for your loss. I was very young (6 or 7) when I knew your mother, but since she took care of me everyday I do have some fond memories of her coloring with me, reading books to me, and helping me with my homework. I remember going to your house and riding on the power wheels. (I thought you must have been really rich to have those.) I hope it gives you comfort to know that someone who took care of me over thirty years ago had such a loving impact on my life that I still remember her.

Rest in peace Mrs. Tyler. Thank you for teaching me how to pick up my toys. Love, Darina

“ *Genelle and Family - My sympathy to all of you. I can still remember visiting with Mrs Carrie when Genelle would have her at the house on the night she hosted Bunko - she always enjoyed watching and listening to all of us yell at those dice. You had many wonderful years with her - cherish those memories!!*
