“ I wanted to express my condolences on the death of your loved one. At a time like this we all are searching for the hope of seeing our loved one again. At John 5:28 Jesus tells us the he will call those in the memorial tombs out. That is a wonderful hope. Then God gives us an assurance of that promise by raising Jesus from his grave. John 17:39 Then we are again reassured because Jesus tells us at John 11:25 that this is the hope for all mankind that are in the memorial tombs. I hope this helps to lighten your day. Also a reminder that God and Christ have promised us a future of happiness.

“ I worked with Charlie at the TXDOT Angleton Area Office from 1983 thru 1995. One memory in particular was after my divorce from my first wife, I was really struggling emotionally to get past it and move on. I remember going outside into the parking lot at work and just breaking down and Charlie followed me outside and spoke to me and basically gave me some guidance and told me everything was going to be alright. And you know what, Charlie was right. I spoke to Charlie several times this past year and made it a point to let him know how grateful I was for the things he taught me and that I was praying for him. I owed alot to him and will never forget him.

Charlie, may you rest, and see your son, Chad in heaven.
