“ *Kathy I am so sorry to here about Allen. I have been meaning to get down that way and visit with you two. I always had fond memories of when him and I worked at UPS in Houston and when we would all spend the weekends on the Lake at Lake Somerville together. Remember when MC was just a little baby and you would bring him up to UPS at night so he could see him. He was very proud of him. He was a great person, I remember those good times just like they were yesterday. I lost Gail last year on super bowl night. Its very hard, know exactly what you are going through right now. I will try and make the service if possible. I have a heart procedure Thursday morning so not sure if I will be out of the hospital and able to travel.... Lindy Sebesta*

Once again so sorry. Keep your spirits up! Looks like you have lots of family and friends to lean on in the hard days ahead. Best to all of you and all your family.
