“ *What a awesome lady... We attended college together in Waco in the late 80's and quickly became great friends. If it wasn't for her I might still be there trying to pass a few classes. She was raising 2 little girls and going to college all at the same time, very determined lady. Plus, she was a great dancer. Many nights we would go out dancing with our friends and shut the bar down. Shared 100's of laughs and great memories. God Bless You Sweet Friend. Hugs and strength to all her family and friends. Tina, I'll see you again buddy...*
