“ Clifford, I don't need to tell you how much we loved you. You were always so wonderful to us. After our beloved Carole died, we were always made welcome to stay at your house where you were always a most gracious host. We love you so very much and never, ever had so much of a cross word with you. We had lots of good times together and we will miss them. All the holidays and the celebrations we shared. Clifford, if I am sure of anything, I know God has made a very special place for you in Heaven. You were always so precious. Rest well, dear wonderful son in law. You are now out of the terrible pain. You know what, we have a new angel in Heaven and it is You. God bless you and if anyone can make a loving, wonderful angel, it is you, dear, dear Son In Law! Love from your always loving Parents in Law, Hugo and Anne Schilhab.

“ To Clifford's family,

We received the notice of Clifford's passing from our daughter today, and we certainly weren't expecting anything like this. We live next door to Clifford, and always appreciated his good attitude and friendly ways. We will really miss having him for our neighbor, and wish all God's comfort.

*Sincerely,
Daniel & Betty Martin*

“ *I will always remember Clifford as quiet, sweet man who was easy to work with and a smile that didn't quit. I work at the Port Lavaca Terminal . I dispatch the drivers to their locations and saw Clifford on a daily basis during the busy seasons. When we had a few minutes in between loads, he would tell me about his family and his wife and shared some of his joys and sorrows. He will be greatly missed here .*

“ Dear Katie,
Please accept my deepest sympathy in the loss of your Father. I only met him last March when I started work with Helena in Port Lavaca. He was such a sweet man, and I always enjoyed visiting with him while he waited for his truck to be loaded. He spoke of you often and was always so happy when you were coming to visit with him. May your memories comfort you always.

Sincerely,
Alicia Fivecoat

**Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May he rest in Peace. Amen. **

“ *Katie, Alfred and Family*
We have lost a great Friend/Co-Worker but have gained a very special angel up above. Clifford was a very enjoyable man to be around, always had a story to tell. and his family always came into play in his stories. I enjoyed during the slow times when he would come to my office and just set and chat. Clifford was one that I could always count on when we wanted to cook at the office he would always say OK what will be fixing today. Clifford one last time "PICK THEM FEET UP YOU ARE GOING TO WEAR THE SOLES OUT ON YOUR SHOES". We love you and we will miss you greatly.

“ *My best memories of Clifford are of him taking Katie to swim meets. That's where I got to know him. A good man. He's missed. Katie is one of our favorite young ladies. We're so sorry she has now lost both parents.*
