“ *I would like to say a few words about Clyde. I have known him all my life. He was a good man full of jokes and pranks but he had helped us out with a lot throughout the years. He would Stop by our house and shread the pasture work on the driveway. When times were tough he would go kill a hog or Geese for us to eat. Clyde will be missed dearly. The good lord took another good one. We will keep the family in our prayers.*

“ Sorry to hear of the passing of Clyde. I know this is a very difficult time for the family. Just know you are all in my prayers during this time and in the days ahead. I loved being around him. He was always making everyone laugh. I know I was the recipient of a lot of jokes and teasing from him and his brothers. He will greatly be missed. Love and prayers for all the family.

“ Growing up next door and being cousins, there are so many memories I have of Clyde. The one that makes me smile the most is one of the ones from when we were in high school. Since his grandfather drove the bus we rode on, he would wait until we got to school before pulling one of his stunts. The one I remember the most is when he put on a long black wig and wore it around campus. He knew he would get in trouble, but he did it anyway and more than once. I think the principal just waited in anticipation to see what he would do next. He was always the jokester, the clown, the one that made everyone laugh. Being the same age and cousins we did a lot of crazy things together. I love you cousin and will miss you terribly. Even though it has been a while since I have seen you, I cried when I found out about the cancer, and cried today when I found out you have left us. I know you are at peace now and making everyone in Heaven laugh, because you will always be you.

Clyde was a long time friend of ours. It was a joy to meet up with him somewhere at an auction or some event. I remember him riding his unicycle around the high school campus when we were there. We are so sorry for your loss, he was a good man with values. We will keep you all in our thoughts and prayers.
