“ Connie was a real hoot. She always wanted to know if I'd been fishing when she'd see me at Second Time Around. We'd talk about fishing and compare fishing stories. I don't think she knew a stranger. My condolences to the family at this difficult time.

“ Connie, I'm sure "Natadar" welcomed you home. My mom loved you as her own. I recall the many times I would pick up my mom and you'd comment that she was your "Natadar". My sincere condolences to the family.

Teresa, Connie loved your mom! She was such a good friend to all of us. Mom used to tell the story about your mom coming to the house to interview for the job and Mrs. Nafegar asked mom if she had a Bible. Mom said yes and showed it to her out on the coffee table in the living room. Only then did your mom agree to take the job! She was such a wonderful person.

Sherry, my husband and I were just telling the story the other night of when Connie threw Kelly's portable TV through the window to get out during an obstructed fire drill!! So funny.

*My mother, Josephine Nafegar cleaned the Clark's home when Connie was born. She helped Mrs. Clark feed Connie and was instrumental in her care especially in those early years. Connie was special to all of the Nafegar family. She was the reason I majored in Elementary/ Special Education at UT Austin. My mother loved her dearly .. as did we all. It is great to read of how many folks she impacted. My mom always loved all of the Clark family. I loved getting Rose's hand me downs.*

*I cared for Connie at Marbridge Ranch. We would take long walks daily with a big group of residents. Connie would carry a speaker, and dance the whole way! Connie often woke up feeling playful. She would want all the staff to come in her room for a pillow fight. She was full of fun!*
