“ That Connie was always such a loving happy lady. We shared of a love of fish ,ponds and aquariums. She always had so many exoitic plants around her fish ponds. We spent many hours together and I will cherish those times we had. She and Milam were two of the most devoted couples I've been around. They certainly complitmented one another. Together again in the Glories of Heaven to spend and enjoy eternity's rewards. I was blessed to have known them both.. Toodie Brady
