“ *Kelly, My heart is breaking for you. A mother should never have to bury their baby. I wish I had the words to comfort you during this horrific time, but there aren't any. Trust that Dawson is with our Lord. I'm here if you need ANYTHING! Day or night. Love you*

“ *Dear family of Dawson,  
I wanted to say something to make you feel better, to express my sincere sympathy; but I just couldn't think of what to say. Words just don't seem to be enough. Just know that my thoughts and prayers are with you all.. Mom, dad, brothers, and everyone who was so dear to him. I can only think of these words, "Softly and tenderly Jesus is calling, calling for you and for me." You know the song. Jesus just called Dawson sooner. May God bless you all.*

“ Even though you weren't my son I still considered my son words cannot express how much I'm going to miss you. Even though I know you're gone I still look for you to walk in and come to my desk to sit and talk and listen to all advice that I had for you on a day to day base. You left us to early without saying goodbye. But we know you are home now. We love and miss you dearly. Dad

Kelly & family, I'm so sorry about Dawson. He was special to me, & my Birthday partner on May 7th. He will be so very much missed! May it comfort you to know he is with his pa-paw! I hope I can get an earlier flight home but no guarantees. Love you all! Aunt Bonnie

*Kelly, Justin & family, sorry for your lose but you are in my prayers. I met Dawson when I worked at leedo's as much as I hated being there everyday, Dawson would do the crazyest things just to get me to laugh & it worked weather if I was mad, sick, tired. Every morning when I would start my paperwork he would write "Morning Gramps or Grand Pap" he was a good & will be truly missed by me. Love your grandson & miss you dearly.*

*We are still stumbling some of us in disbelief at Leedos.I got to work side by side with him.Always greeted with that morning.And I know the Lord has his precious soul.We talked alot that last day we worked together.He always with that smile one that came from the eyes.Im glad I got to share what he needed to know.His tattoo he just got says it all.It is from book of John.When we all suffer such loss such as this we all ask why.But we know and must remember his heart that smile,and the blessing given to us by our Lord.We will miss you so much and while you werent kin,we were family in all that mattered.Much love and heart felt to your family Dawson.I know you are watching over us all.*
