I remember going to the junior high to pay a fine on my son's book and we talked. I remember her saying she couldn't believe I had a child. She remembered when I was in school.

“ What a wonderful lady and friend! She will surely be missed by many! I used to substitute for her when she needed a day off from the school year and have subbed for many teachers. This hits home for me as I looked up to her and her ability to control a class and they respect her. So very sorry Ernest and family for your loss and the community's loss of a good friend!

Dearest Dellinda, may you rest in peace now and I'm sure you were welcomed into Heaven with the open arms of your Mom and Dad.

Best memories were the hysterical times we had growing up and trying to see just how many of us cousins could fit/ride on the back of Grandpa Meek's poor ol' mule at Pin Oak.

Kathy, Ricky and Melisa, my prayers for you to have peace in your heart.

“ *Dellinda helped me on so many occasions when I had to choose books for my students. She was always there for her students but also for her teachers. My favorite memory will always be the song she had my students re-create using Ring of Fire. She chose one of the groups' songs and used it for a contest at a librarian's convention. She was always fun like that. The love of reading is less brighter with her missing!*

Dellinda was such a caring and loving person. She would always help me by giving me suggestions of books and fun activities to do with my students. Her ideas were awesome.! She loved her job so much and had lots of patience with the middle school aged kids. Dellinda was the best librarian that I have ever worked with. She will be greatly missed by many. Heaven has s new angel.
