“ *the beautiful memories I have of you Dolores Halliburton. twice a week I got to visit with you at the beauty shop and occasionally got the privilege of fixing your hair. You were always a breath of fresh air. You will be missed by many and loved by all. I always enjoyed sharing recipes with you. You and I always loved sweets. You always wanted to know what I had good to eat and I knew exactly what you meant. the beauty shop with your place to rest. We knew we had to give miss Halliburton at least one hour under the dryer so she could get her nap out. Love you Mrs. Halliburton you rest well now and tell my mom hello when you're up there.*
