“ I miss giving Grandma hugs and patting her on the back on purpose just to hear her getting on to me for that lol. She would tell me that she loved me, and I would tell her I loved her back. Then the soft reply she would give me every time was “I know mijo”

“ I always remember Mother singing songs that her and dad would sing. They would make each other laugh. Most of the songs were silly but Mother made them seem really funny. She would sing one occasionally and would ask me to sing it to dad, just to be funny. Love and miss you Mom!!!!

“ *My dear family. Sorry about your loss. When the enemy death strikes, the sting of death can be very painful, and can leave us with emotions that are hard to understand. Know that when you pour out your heart to God (Psalms 83:18) in prayer, He will give you His Peace that surpasses all understanding to guard your thinking and your heart. May the family stay together during this difficult times.*
