“ *What a wonderful lady Dollie was. I met her and Cline back in the early 90's at a China Club in Conroe. They made me feel like I belonged from the very first day, as they did everybody new to club. They were true friends. They will be missed each day and every club meeting from now on.*

*Dollie was a wonderful china painter and Cline was a wonder repair man of all things broken. They were like the glue to all things. Where you saw one you saw the other.*

*I've been so blessed all the years to have had them both in my life. I knew from the beginning that where one goes they both go. They both have taught me what real friendship is and was.*

*My prayers are with all the family during this sad and emotional time. Just remember they are both once together again holding hands and loving each other. Someday will will all see them again and share in love and friendship.*

*Prayers are with you all.  
love in Christ,

*My family thanks each and everyone that knew and cared for my parents. They were a great team of husband and wife, they were a team in life that can be considered true role models for anyone. The memories that their children have of them will last and be passed on for generations. So, with this last tribute to Cline and Dollie Johnson, their children say God Bless everyone, and thank you.*
