“ Junior has been a good friend of mine for many years. I could always count on a good laugh when visiting with him. His absence will leave a void in many lives at the co-op. My thoughts and prayers are with the family at this time I know they will miss him deeply.

“ I just want to send condolences to the whole family. We (Chapa Family) were neighbors for many years. I can and will always remember the roosters he loved to raise. I used to hang out at their house many times. Now he is resting in peace along with my father Servando Chapa II who recently passed in Feb 2016 and his other friend(neighbor) Gonzalo Pesina. May they rest in peace together. Again prayers for the whole extended family.
